

Ricardo Yui is a Peruvian-born Visual Artist and Filmmaker living between Amsterdam and Lima. His photos and short films are often presented in festivals, exhibitions and film screenings worldwide. His work has been supported by cultural institutions such as Institut Français (FR/2008), CulturesFrance (FR/2008), CentroCentro (ES/2014), the Amsterdams Fonds voor de Kunst (NL/2017), and DAFO (PE/2018). Nowadays, Ricardo works on the development of his first full-feature film project, *Becoming*, which is the story of a group of disadvantaged people that join a big city looking for the so-called progress and modern life.
